HOW TO CONTACT THE RNBE FAMILIES TEAM

There are many social and economic factors that can have a negative impact on a family's health and wellbeing.

Many families are overwhelmed and don't know how to get the right support. This is where our **Families Team** can make a difference.

FAMILIES TEAM

Helping families with guidance, signposting and support to engage with the community.

Turning "What's the matter with me?" into "What matters to me?".

The **Families Team** can offer early intervention and non-judgemental support.

WHAT CAN WE HELP WITH?

- Families struggling with complex and unmet needs.
- Support accessing other services.
- Families that need support to advocate for themselves.
- Families that have fallen through the support gap.
- Children with challenging behaviour.

HOW DO WE HELP?

- A point of contact in primary care to enable effective communication.
- Empower vulnerable families and carers.
- Encourage self-management and choice.
- Proactive and responsive, working closely with vulnerable families.
- Working collaboratively with all individuals and agencies.

FAMILY TEAM

There are many social and economic factors that can have a negative impact on a family's health and wellbeing. Many families are overwhelmed and don't know how to get the right support.

This is where a **Family Social Prescriber** could help - connecting you to community-based support.

- Do you need help accessing local services?
- Do you or your family feel lonely or isolated?
- Do you worry about your family's health?
- Do you have financial worries?
- Do you or your family need help making your self heard?

Turning "What's the matter with me?" into "What matters to me?".

If you would like to talk to a Family Social Prescriber to find out more please contact your Surgery and ask for a referral to the **Family Team.**

FAMILY TEAM

Our Family Team can offer early intervention and non-judgmental support.

Turning "What's the matter with me?" into "What matters to me?"

YOUR FAMILY NEEDS

Our Family Social Prescribers will work with you to identify the support your family needs.

ASSESSMENT

They will develop a Care Plan based on what matters to you.

SIGNPOSTING

They can signpost you to the services that will meet your family's need, or advocate for you with other services.

If you would like to talk to a Family Social Prescriber to find out more please contact your Surgery and ask for a referral to the **Family Team.**
