

LIGHT UP: CHANDLERS FORD COMPANY

Light UP is an innovative youth theatre for children who love performing, being creative, and having tons of fun!

Weekly sessions are led by professional theatre practitioners, with yearly opportunities for performances.

Your child can join the cast for our upcoming Light UP performance of *Five Children and It*, being performed in February at a professional theatre with a cast of over 60!

To book a FREE trial session for Autumn Term 2024, email us at info@lightupdrama.org.uk.
