### Warm Weather - Once a Day Application Sunscreen

Please may we ask you to ensure that your child comes to school having applied 8-hour protection sunscreen. If they need to have more cream applied during the school day, please provide this in a clearly named container and your child will be able to apply this independently as required. Please also ensure that your child brings a sun hat and water bottle daily.

### Little Wandle Reading Books

As we approach the end of the school year, can we ask all families to have a thorough check for any extra Big Cat Collins Little Wandle phonics books that may be hiding in your homes! These are an extremely important learning resource and we have a significant number that are missing. Any that are found, please return to class teachers. Thank you!

### Head Lice

We have been made aware of a few cases of head lice within our school community. Please can you check your child's hair as soon as possible in order to stop them spreading through the school and nursery. As a reminder, the NHS guidelines on detection and treatment are attached.

### Welcome back to Miss Horn

We look forward to welcoming Miss Horn back from her maternity leave next week. You will see her in various classrooms around the school!

Wednesday saw many Charlie and the Chocolate Factory characters arrive at school - a great day for role play and character profiles!
