

Computing

Talk about one instance of a database being used to organise, store and use information. Understand and use keywords to find the best information online. Children will learn all about how to use databases and search engines to find information.

Music

In music, we will be diving deeper into exploring composers, listening to a variety of rich genres of recorded music, playing games and creating our own music. Moving forward, Music will continue to be taught on a frequent basis in short bursts, alongside singing assembly

Art

Use drawing and modelling to share ideas, experiences and imagination

Over the half term children will be making their own animation and studying artists Peter Lord, David Sproxton and Nick Park.

DT

We will be working with The Mountbatten School on a car project. The children will be designing and making their very own car!

English

In addition to daily reading practice, children will be listening to and reading George's Marvellous Medicine. We will be writing descriptive pieces, diary entries and role-playing scenes from the story. Continue to practise spellings at home, paying particular attention to handwriting. Ask your child what has happened so far in the story and what new vocabulary they have learnt.

Science

- Observe and describe how seeds and bulbs grow into mature plants
- Find out and describe how plants need water, light and suitable temperature to grow and stay healthy.
- Children will grow a variety of different plants and observe their growth and how different factors affect this process.

When out walking, can your child spot and name the different parts of a plant?

Maths

We will be learning to tell the time to 5 minute intervals and recall how many minutes are in an hour and hours in the day.

We will be working on our fluency and recall in addition, subtraction.

Ask your child to recall their number bonds to 10, 20 and 100. Can they also give subtraction facts like $25-5=20$ mentally. Can they recite their timestables (2, 3s 5s and 10s)?

RE

Children will be respectfully discussing what God means to different people and to themselves. Ask children how people view God differently and embrace our diverse community.

PSHE

This half term our focus is on relationships, families and friends.

We will look at how all families are different but all valued. Alongside this we will be looking at friendships and how best to resolve conflicts in a positive way.
