Children in Need 2026

Children will enjoy a special reading challenge in school, helping to raise awareness and support for Children in Need while celebrating a love of reading. You can support this at home by encouraging your child to read to their favourite teddy!

All children will attend a school assembly to learn more about Children in Need, the work they do, and how fundraising can make a difference to the lives of young people across the UK.

On Friday 13th, children are invited to come to school in non-uniform, with an optional donation to Children in Need. We encourage everyone to wear Pudsey colours, spots, or something bright and cheerful for a truly spotacular day!

Throughout the day, children will take part in a variety of fun, age-appropriate activities within their year groups as we come together to support this important cause.
